

# FAMILY COMMUNICATION GUIDE

## INSTRUCTIONS

### EMAIL & HANDOUTS

Some families like to hear from you through regular emails, but others like paper handouts, so we've provided both!

Get your **family email** for this series [right here](#). And get your **overview and daily family handouts** [right here](#).

### SOCIAL MEDIA

Once you have your email complete, you can repurpose the content in that email on your social media platforms. For families, we recommend using your **Facebook page to broadcast information to everyone** and a **Facebook group to start conversations just for families**.

**Use the Big Ideas, graphics, videos, and teaching content we provide** to fill up the teaching-related portions of your social media plan each week.

We've also written daily posts to parents about each day of VBS that you can use if you'd like.

**Copy and paste these daily posts** into either your Social Media Plan spreadsheet, a post scheduling service like [Buffer](#), or directly onto your favorite social media platform.

Hey families! Our VBS this summer is called I Wonder! Check your email for all the details!

Day 1 of I Wonder is in the books! We talked about how God created and saved everyone for a purpose. Here was the Big Idea: **I wonder what makes my story unique?**

For Day 2 of I Wonder, we looked at all of the gifts God gives and how to use them. Here was the Big Idea: **I wonder what gifts God gave me?**

In Day 3 of I Wonder, we took a look at how we can love others like God does. Here was the Big Idea: **I wonder what I can learn from others?**

It's our final day of I Wonder! It's been a great conversation with the kids. We closed with a conversation about living for God. Here was the Big Idea: **I wonder how I can spend time with God?**

And don't forget to use the [#growcurriculum](#) hashtag when you post!
