

WHEN I PRAY BY HARVESTARK

i wonder...

SONG LYRICS

VERSE 1

When I wanna be close to you
I know all I gotta do
Is call out your name
And give you the praise
That's exactly what I'm gonna do

PRE

I'mma pray, on my knees
'Cause you've been so good to me
By your grace, I am free
Now I shout out victory
Got a smile on my face
'Cause I finally found my place
With you

CHORUS

God when I pray I know you're never far
You said nothing's hidden so you know my heart
Each and every day I wanna be where you are
So I can grow bigger
And I can grow stronger
(When I pray)

VERSE 2

I am forever changed
I won't ever be the same
You lifted me up
And healed all my pain
There's power in the name

PRE

I'mma pray, on my knees
'Cause you've been so good to me
By your grace, I am free
Now I shout out victory
Got a smile on my face
'Cause I finally found my place
With you

CHORUS

God when I pray I know you're never far
You said nothing's hidden so you know my heart
Each and every day I wanna be where you are
So I can grow bigger
And I can grow stronger
(When I pray)

VERSE 3

I got blessings all around
I was lost but now I'm found
You're always there for me
You got everything I need
You are everything
