

The background is a vibrant yellow with a textured, paper-like appearance. Overlaid on this are several layers of blue and teal wavy shapes that create a sense of depth and movement, resembling ocean waves or a cross-section of the sea. Within these layers, there are stylized illustrations of marine life: a large blue fish, a smaller blue fish, and various forms of coral and seaweed in shades of blue and teal. The overall aesthetic is modern and graphic.

MISSION:

DEEP SEA
