"WE GO DEEP"

BY ERICA MASON & PATRIOT MCKEE

MISSION:
DEEP SEA

SONG LYRICS

You love me this I know
Take my heart never let it go
Oh I know I can follow you
Yea I know I can follow you

I'm spending time with You
I'm bringing my whole crew
Hands up, everywhere
Wave them in the air like you just don't care
I'm giving up control
Hands up I'm letting go
I want more of You
So let's go deeper

All I gotta do is follow You
All I gotta do is follow You
All I gotta do is follow You
All I gotta do is follow You

Come along with me me me me me me me
As we go deep deep deep deep deep deep deep
Come along with me me me me me me me
As we go deep deep deep deep deep deep deep

You love me this I know
You take my heart never let it go
You keep holding on
So all I gotta do is follow you
All I gotta do is follow you

Ohh yea
I'm in it now
It's going down

Searched around look what I found
We going deep deep deep
There's nothing wider
There's nothing deeper no
I want you
Let you take control

*Aye let's go deeper
Take a second, cause we all need Jesus
You ain't alone, man we all got a reason
To call on Him in all different seasons
It's hard to find someone you can really trust
Harder to find someone with unconditional love
It's a 2-in-1 with our Father from up above
So we don't gotta worry, He will always be enough
Aye*

All we gotta do is follow you
All we gotta do is follow you
All we gotta do is follow you
All we gotta do is follow you

Come along with me me me me me me me
As we go deep deep deep deep deep deep deep
Come along with me me me me me me me
As we go deep deep deep deep deep deep deep

You love me this I know
You take my heart never let it go
You keep holding on
So all I gotta do is follow you
All I gotta do is follow you
